Formatting and layout instructions for abstracts

N.B! It is very important that these instructions are followed!

- **TITLE**

  The title should be in both English and Swedish. The abstract must be written in Swedish regardless of the language of the article.

  SWEDISH TITLE - Times New Roman, 16 points, uppercase, bold, left-aligned text

  ENGLISH TITLE- Times New Roman, 14 points, uppercase, bold, left-aligned text

- **AUTHOURS AND COMPANIES**

  Times New Roman, 12 points, italics, left-aligned.

  Author 1, Company / Institution

  Author 2, Company / Institution

  ETC...

- **TEXT**

  Text: Times New Roman 12 points

  Length: 200 words.

  Language: Swedish (if agreed, the paper and presentation can be in English, but the abstract must be translated)

  Images: Should not contain any (these may be added when submitting the paper)

  NB! No page numbers, headers and footers, logos or similar should be inserted in the document.

- **FILE**

  The document should be submitted both as .pdf as well as .doxc

- **OTHER**

  Make sure that what you propose to present is agreed upon with interested parties.
